<ul style="list-style-type: none">-The title has been fairly done. Specify the school level/category the study was undertaken.-The paper has been fairly arranged with a slight mix-up. You can't move from introduction to method. Re-align as follows: Abstract, Introduction, Literature Review, Method, Results/Findings and discussion, Conclusion, References.-Use APA 7th edition exclusively in the study. For 3 or more authors quote the first name and et al. plus the year eg (Glickman et al., 2014) page 3 line 20. Likewise, Write (Patterson et al. as cited in Glickman et al., 2014).- In the references section, arrange alphabetically. Corbin & Straus (2008) wrongly placed.-Ensure all quoted references are included in the reference section, Gleick, 2000; Eby & Reeves, 2006, and Saban & Ersoy, 2019; Robin & Judge, 2012 missing- Conclusion: Make it simple and clear for the reader to decipher
