#### **PART 1:** Review Comments

<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I like the manuscript as it enlightens the world community on the Chinese cultural nuances. The Chinese-English translation of the said text makes it possible for non-Chinese speakers to understand culture specific issues in China	
Is the title of the article suitable? (If not please suggest an alternative title)	I find the title to be suitable	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive	
Are subsections and structure of the manuscript appropriate?	Yes, they are appropriate	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	The manuscript is robust since it uncovers the Chinese cultural nuances that are were initially written in Chinese. Their translation into English – a language of wider communication in the world – has made it possible for the non-Chinese speakers to understand them	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient and most of them are current	
<b>Minor</b> REVISION comments  Is the language/English quality of the article suitable for scholarly communications?	The language quality needs thorough review to rectify both grammatical and typological anomalies	
<b>Optional/General</b> comments	Nil PLEASE SEE ATTACHMENT
