Manuscript Number:	Ms_AJOPACS_126993
Title of the Manuscript:	Study of Moon and Sun impacts on Earth's state climate
Type of the Article	Scientific Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I like this article because optical planting and harvesting timings and space exploration and communication analysis are involved. This article gives an detailed view of climatic changes. Further depth scientific and technical analysis was given.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, but if it is " study of impacts of the Sun and the Moon on the climate and the ecosystem of the Earth". Then it may be more appropriate.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes , it is comprehensive. But, in the abstract the key word celestial body heights are to be included In the introduction page no 5 ' The political crisis are to be deleted.' In page no 10 'In a single fluid sentence is repeated. In page no 11 'We direct the interested reader to Chandrashekar should be rephrased.	
Are subsections and structure of the manuscript appropriate?	Yes , appropriate.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	More clarity while using references is required. Finally this article may be published as it consists of more useful information available for young researchers.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Some more latest references are to be considered.	
Minor REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Needs Revision	
Optional/General comments	It is a good article and more useful for the mankind on the earth.
