

Review Form 3

Journal Name:	Asian Journal of Research in Animal and Veterinary Sciences
Manuscript Number:	Ms_AJRAVS_125582
Title of the Manuscript:	Non- Genetic Factors influence birth weight of Friesian and Friesian x Fipa Cattle calves in one Highland farm of Tanzania
Type of the Article	Research article

PART 1: Review Comments

<u>Compulsory</u> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The manuscript had scientific relevance, which is helpful in the selection process at an early age, since the birth weight is an important economic trait which will influence further future production and reproduction traits in the animals. SEE ATTACHMENT	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes, suitable as the title.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes, it is comprehensive. It needs few corrections.	
Are subsections and structure of the manuscript appropriate?	Appropriate, it needs some corrections.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Since birth weight is an important economic trait which influence the further growth, immunity and production of the animal. The influence of no-genetic factors will play important role in growth of foetus and further development. Scientific management and care will take about these constraints.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Adequate, but presentation should be as per journals references.	
<u>Minor</u> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	There are few grammatical corrections are needed.	
<u>Optional/General</u> comments		

Review Form 3

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
