

Review Form 3

Journal Name:	Journal of Agriculture and Ecology Research International
Manuscript Number:	Ms_JAERI_126962
Title of the Manuscript:	Correlation study among growth, wood density, and seed traits in <i>Gmelina arborea</i> : a comprehensive study
Type of the Article	Field experiment

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	1.The research investigated the complex relationships among morphological traits, wood properties which will help in future for CPT selection as well as the use of morphometric and seed traits as selection criteria in <i>Gmelina arborea</i> cultivation 2. In near future it will promote sustainable forestry practices and improve productivity in Gamhar (<i>Gmelina arborea</i>) plantation settings and management also.	
Is the title of the article suitable? (If not please suggest an alternative title)	yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	yes	
Are subsections and structure of the manuscript appropriate?	Yes (but the flow of writing in material and methods should check)	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	1Planting technique for <i>Gmelina</i> and provenance selection methodology should be mentioned clearly 2..For planting of <i>Gmelina arborea</i> there is need to provide reference for standard planting technique. 3. Test weight and bark thickness measurement paragraph should write in proper way but not in the form of definition.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Few recent references is needed along with need to maintain the style of reference writing. Inside only few references sighted, others new added one have to cite.	

Review Form 3

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	YES	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
