Optional/General comments	<p>Review article Comments:</p> <ol style="list-style-type: none"> 1. The author demonstrated good statistical property of G-Transmuted Pareto Distribution as well the three components of the distribution but more recent studies can be cited under the estimation of the distribution parameters 2. The dataset used for the real-life demonstration of the G-Transmuted Pareto Distribution was not clear enough because the dataset source was not indicated and the usefulness of the distribution application to real-life data should also be included in the conclusion <p>Finally, the work is okay for publication with the above minor corrections.</p>
