<ol style="list-style-type: none"><li>1. It is praiseworthy that author has addressed the suggested changes. However, the article needs to highlight about importance of manufacturing sector. There is discussion about sector's contribution in the gdp.</li><li>2. I am no able to understand the line Since 1980s and 1990s there are worries that the results in labour markets have not seen improvements for many parts of the workforce. There is a need to work on abstract.</li></ol>
