

**Editor's Comment:**

Thank you for your invitation and the opportunity to give a final opinion on the decision to publish the article entitled: Impacts of Acacia Biochar and Irrigation Scheme on Teff Production for Dry Season in Highland of Ethiopia

By inspecting the reviews and comments of the reviewers as well as the answers given by the author(s), I am pleased to announce acceptance for the publication of this article in the Asian Journal of soil sciences.

If you have any questions, do not hesitate to contact me for more information on the decision.
