

Review Form 3

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_127466
Title of the Manuscript:	Nutrient release pattern and soil enzyme activities in calcareous and non-calcareous soils as influenced by PROM
Type of the Article	

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	The study is very good but it can be modified with its language.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Lots of tables are there. Some tables can be presented as graphical form.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	In Table: 1 Proximate analysis of PROM was shown but no writeup for this, it should be written whether it has done during the study or taken from somewhere else. In Tables, no need to put Factors In statistical analysis of data needs to be show CV also and discussed if possible. Abbreviations or full forms should be used on their first use in the main text of the article. Formation of tables is not appropriate, need to be re-designing of tables. At each table, note should be at base for abbreviation terms used in table. Results should be describe in well academic manner.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes but some recent citations can be added	

Review Form 3
