<b>Compulsory</b> REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	I found this manuscript informative as it reviewed antibiotic susceptibility pattern of pathogens in UTI patients. Antibiotic sensitivity is a global concern now-a-days. So more and more sensitivity profile should be analyzed from different regions and countries of the world.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	No, conclusion part should be explained more specifically. Mentioned in the manuscript in comment box	
Are subsections and structure of the manuscript appropriate?	Yes , but literature review shouldn't be added separately	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	People specially females are getting more and more infected by UTI infections and are getting hospitalized. Pathogens become resistant due to inappropriate use of antibiotics. So the sensitivity profile of the pathogen should be studied and analyzed frequently	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	No, references weren't sufficient. In discussion part, more references should be added appropriately and it should be compared with the present study.	
<b>Minor</b> REVISION comments		
Is the language/English quality of the article suitable for scholarly communications?	Yes
