

Review Form 3

Journal Name:	International Research Journal of Oncology
Manuscript Number:	Ms_IRJO_127361
Title of the Manuscript:	The Role of Primary Care in Early Detection and Continuity of Care for Cancer Patients: A Review
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	<ol style="list-style-type: none"> 1. Article is addressing an important issue of early cancer diagnosis. 2. This article is also addressing issues faced by the primary care teams for diagnosing cancer at early stage. 	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract is adequately written.	
Is the manuscript scientifically, correct? Please write here.	The manuscript in majority is covering USA and Canadian literature and system and in fact is anylsing Canadian system to some extent but authors have not looked in to other public health systems in Europe or Asia. If authors are habitats of India there should be discussion regarding issues, policies and guidance provided localy for early cancer diagnosis and readers of the journal would be locals. Role of AI is upcoming for early cancer detection and authors need to touch upon this.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	https://transform.england.nhs.uk/media/documents/York_Health_Evaluation.pdf Please review this manuscript.	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	Mentioned above.
