

Review Form 3

Journal Name:	Asian Journal of Fisheries and Aquatic Research
Manuscript Number:	Ms_AJFAR_127245
Title of the Manuscript:	INFLUENCE OF ADDITION OF MURBEI (<i>Morus alba</i> L.) FLOWERS TO FOOD FOR FATHERING MANGROVE CRABS (<i>Scylla serrata</i>) APARTMENT SYSTEMS
Type of the Article	Original Research Article

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	Mangrove crab (<i>Scylla serrata</i>) is one of the important fishery commodities that has high economic value. For cultivation or fattening of crab is need of research accordingly research was carried out by authors. So this research topic was excellent.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes	
Are subsections and structure of the manuscript appropriate?	Yes	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Based on present investigation, it is known that the addition of mulberry leaves in feed can stimulate its growth. But authors suggested in their research on mulberry leaf flour in feed and the results obtained show that mulberry leaf flour has no significant effect and lack of feed digestibility. This is due to the dose used in the feed is not optimal, authors should be mentioned optimal dose, but authors has mentioned further research is needed regarding the optimal dose of mulberry leaf flour to stimulate the growth of mangrove crabs is appreciable	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. =	Yes	

Review Form 3

Minor REVISION comments Is the language/English quality of the article suitable for scholarly communications?	-	
Optional/General comments	-	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
