Please write a few sentences regarding the importance of this manuscript for the scientific community. Why do you like (or dislike) this manuscript? A minimum of 3-4 sentences may be required for this part.	This research is an interesting work.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The phrase "aligns with the growing interest in sustainable aquaculture" is insightful but could be slightly rephrased to make it more impactful. For example: "These results support the rising demand for sustainable aquaculture practices."	
Are subsections and structure of the manuscript appropriate?	Yes.	
Please write a few sentences regarding the scientific correctness of this manuscript. Why do you think that this manuscript is scientifically robust and technically sound? A minimum of 3-4 sentences may be required for this part.	Methodology: - It should indicate the time for steaming the fish. - The research will be even more interesting if the static analysis compares the sensory sample (steamed organic tilapia and fresh organic tilapia) with the T-test.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form. -	-
