Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is important for the scientific community, since the use of natural products to combat ciliates is more sustainable and healthy for aquaculture.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	I suggest that the summary be rewritten in a more concise way, the sentences are loose and disconnected. The introduction of the summary needs more cohesion.	
Is the manuscript scientifically, correct? Please write here.	yes, it is written correctly	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	I suggest reviewing the references as many are more than 10 years old, and a search for more recent references is necessary.	
Is the language/English quality of the article suitable for scholarly communications?	yes, it is written correctly	
<u>Optional/General</u> comments
