Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript is a great help in the public institution especially in the Philippine context. It widens understanding of how the career progression of teachers evolved as time goes by, in the field of public education with the improvement of facilities as one of the contributory factors in the learning development.	
Is the title of the article suitable? (If not please suggest an alternative title)	The title clearly ensures the main subject or research question that specifies the scope of your study. It is what exactly you focus on in your research where the variables are presented. However, the title must benefit from clearer phrasing perhaps specifying the region or period you are examining. I have this suggested alternative title, "CAREER PROGRESSION OF PUBLIC ELEMENTARY TEACHERS IN A CLASSROOM FACILITY ADEPTNESS"	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Clear and concise	
Is the manuscript scientifically, correct? Please write here.	Yes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Other references is beyond five years, need to find other reference. DOI should be present in the references.	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
<u>Optional/General</u> comments	As to content, clarity and appropriateness, it is considered excellent.
