

Review Form 3

Journal Name:	Asian Journal of Research in Zoology
Manuscript Number:	Ms_AJRIZ_127945
Title of the Manuscript:	Seasonal Diversity and Abundance of Phytoplankton Influenced by Physicochemical Parameters in the Lower River Benue
Type of the Article	Research

General guidelines for the Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guidelines for the Peer Review process, reviewers are requested to visit this link:

Review Form 3

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The work carried by the researcher becomes important as it highlights the importance of monitoring water quality and linking phytoplankton with them.	
Is the title of the article suitable? (If not please suggest an alternative title)	Please incorporate in title:in the Lower River Benue, Nigeria.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	NO	
Is the manuscript scientifically, correct? Please write here.	yes	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes	
Is the language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	<p>IMPORTANT: The author is advised to write the detailed methodology followed for sampling of phytoplankton. He has not assigned any unit to plankton number like cells / litre . Author is advised to go through the research paper <i>Wangneo & Wangneo, 1991. Algal population in valley lakes of Kashmir Himalaya. Archiv fur Hydrobiologie 121(2): 219-233.</i> The unit may be incorporated at each place in the results and even in the tables Figure 5, 8, 11. No title / labelling has been done on bar graph below Table 1. Paper to be accepted for publication only after incorporating mentioned corrections</p>	

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
