

### Review Form 3

Journal Name:	<a href="#">Journal of Energy Research and Reviews</a>
Manuscript Number:	Ms_JENRR_128168
Title of the Manuscript:	Performance Evaluation of a Solar Dryer for Silver Cyprinid: Enhancing Food Security through Sustainable Preservation
Type of the Article	Original Research Article

#### PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<b>Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.</b>	This paper discusses the "Performance Evaluation of a Solar Dryer for Silver Cyprinid: Enhancing Food Security through Sustainable Preservation". This paper is suitable for publication in <a href="#">Journal of Energy Research and Reviews</a> , but after the answer on the comments below:	
<b>Is the title of the article suitable? (If not please suggest an alternative title)</b>	The title needs to be revised. It should be in a single sentence (remove the colon and modify it accordingly)	
<b>Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.</b>	The abstract should be presented in the subsection like; the aim, the methodology of the study, and the quantitative values of the results and conclusion. Please rewrite the abstract section like this and improve the sentence quality with proper English.	
<b>Is the manuscript scientifically, correct? Please write here.</b>	The manuscript scientifically correctly refers to the literature. The main headings like introduction, methodology, etc. should be written like 1., 2., not 1.0, 2.0. And Table 1 should be in the table form not like the image copy-pasting.	
<b>Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.</b>	The manuscript has recent references mostly although the authors should add some references provided below to enhance the quality of the manuscript. <ol style="list-style-type: none"> <li>Bhagat, P., Kushwah, A., Yadav, R., Nag, R. H., Chowdhury, M., Carpenter, G., &amp; Anand, R. (2023).
