

Review Form 3

Journal Name:	Journal of Scientific Research and Reports
Manuscript Number:	Ms_JSRR_127861
Title of the Manuscript:	Farmers' awareness and adoption level of farmers about millet production in Haryana
Type of the Article	Original Research Article

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Since there is a gap between the scientific community and farming community it may be reduced by conducting more extension related research for the betterment of the farmers. The present article focused on the awareness of the farmers and assessed very well for the field conditions. Such research works are needed for sustainability of the agriculture.	
Is the title of the article suitable? (If not please suggest an alternative title)	Alternative title A study on awareness of farmers in adoption of millet production practices in Haryana	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Yes , Comprehensive Delete Pink / Purple / plum coloured text Add green coloured text	
Is the manuscript scientifically, correct? Please write here.	The manuscript scientifically, correct	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient and recent.	
Is the language/English quality of the article suitable for scholarly communications?	Suitable	
<u>Optional/General</u> comments	If possible , strengthen by adding more supporting literature.
