PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	Life education is education that is based on, about, and for life itself. It is an integrated form of education that, grounded in an understanding of life's principles, encourages individuals to consider the self in relation to nature, the self in relation to others, and ultimately to reflect on the value of one's own life. Life is an ongoing, dynamic process that directly aligns with human existence and development. Therefore, the manuscript is very important to understand life and education, particularly it is important to nurture the children in a specific way.
