Journal Name:	Asian Research Journal of Arts & Social Sciences
Manuscript Number:	Ms_ARJASS_127987
Title of the Manuscript:	Navigating Adversities: A Systematic Literature Review of Challenges Faced by Transgender Individuals
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The study area is new as it highlights the difficulties of transgenders issues through a systematic review. The issues of transgenders are less researched, so this study contributes to this area and adds a literature for further research.	
Is the title of the article suitable? (If not please suggest an alternative title)	It is ok.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	The author needs to highlight the major findings and implications of the study.	
Is the manuscript scientifically, correct? Please write here.	The manuscript is written scientifically. It would be better if the author restructured the conclusion section as 'conclusion and implications'. Ass one paragraph focusing on its implications. Avoid straight sentences, use more connectives.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	The references are sufficient. However, most of the references are old. The author should follow the APA 7 th edition strictly throughout the research.	
Is the language/English quality of the article suitable for scholarly communications?	Language quality is ok.	
Optional/General comments
