

Review Form 3

Journal Name:	Journal of Cancer and Tumor International
Manuscript Number:	Ms_JCTI_127988
Title of the Manuscript:	Molecular expression patterns of ER, PR, Her2/neu, and Ki67 in Sudanese breast cancer patients.
Type of the Article	

PART 1: Comments

	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	The manuscript is of great importance to the emerging problem(breast cancer)in a community.It provides a full insight of hormonal receptor expression pattern in breast cancer which are a mainstay in treatment of cancer as well as in estimating the prognosis of the disease.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes title is suitable.	
Is the abstract of the article comprehensive? Do you suggest the addition (or deletion) of some points in this section? Please write your suggestions here.	Abstract of the article is good explaining the aim of the study.	
Is the manuscript scientifically, correct? Please write here.	Yes.	
Are the references sufficient and recent? If you have suggestions of additional references, please mention them in the review form.	Yes refrence are almost from latest literature.	
Is the language/English quality of the article suitable for scholarly communications?	Yes it is	
Optional/General comments	<p>Here are some mistakes in a article.</p> <ol style="list-style-type: none"> ER,PR,Her 2 are not generally not expessed in benign breast parenchyma.While author have mentioned in a title that he will be observing expression in breast cancer patients then why did he included 79 benign cases in a study? There was no inclusion or exclusion criteria. There were mathematical problems in counting patients, in literature sample size is not same,for instance sample size in abstract is 190 while in materails and methods section it is 111.
