	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write a few sentences regarding the importance of this manuscript for the scientific community. A minimum of 3-4 sentences may be required for this part.	This manuscript is of significant importance to the scientific community as it explores the development strategies for village-owned enterprises, a key driver of rural economic empowerment and sustainable development. By focusing on Majalengka Regency in West Java Province, Indonesia, the study provides valuable insights into localized approaches to entrepreneurship, governance, and resource management in rural settings. It contributes to the growing body of literature on community-driven economic development, offering actionable strategies that can be replicated or adapted in similar socio-economic contexts globally. Additionally, the findings have the potential to inform policymakers, development practitioners, and researchers about the role of village-owned enterprises in enhancing rural livelihoods and promoting inclusive economic growth.
