EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>There are still revision</p> <p>Comments:</p> <ol style="list-style-type: none">1. Almost all findings obtained in this study are similar with previous findings. Novel findings should be more emphasized.2. There are many careless mistakes in spelling. Two words were combined to one word in the text and independent variabe in Table 1. For example, independent variable "Farmingexperience" is divided to "Farming experience".3. Please make spell check (See attached file).	<p>I accept your suggestions. But while sharing the word file via mail two words were combined to one word due to technical issues i. e. Different types of windows working installed in our PC it may be window seven or window ten.</p>
