

Review Form 1.7

| | |
|--------------------------|--|
| Journal Name: | Asian Journal of Education and Social Studies |
| Manuscript Number: | Ms_AJESS_113171 |
| Title of the Manuscript: | The Effectiveness of Local Potential-Based Learning Modules on Creative and Entrepreneurial Project Learning |
| Type of the Article | Original Research Article |

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|---|--|---|
| <p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p> | <p>Please correct the keywords with mesh. Please provide an explanation about the learning modules in your introduction. You have mentioned in the method section that "Data collection was carried out with the help of instruments in the form of questions that were distributed to students to assess cognitive aspects". Did you employ a questionnaire in your study? If so, please specify the name of the questionnaire used. In the case where the authors designed their own questions, it is important to assess the validity and reliability of the questionnaire. In the first part of the results that you have explained and referenced about the test, add it to the explanation part in the method or introduction. In table 3, modify the third column of the Up section. Please provide an explanation of Figure 1 and indicate on the Figure itself what the horizontal and vertical axes represent. Please provide an explanation of Figure 2 and indicate on the Figure itself what the horizontal and vertical axes represent. Please review the formatting guidelines of the journal to determine if the discussion and results sections should be written separately. If required, please ensure that the discussion and results are appropriately separated in accordance with the journal's formatting guidelines. Please review more articles in the discussion section. You have the option to generate additional results by conducting further analysis using analytics. I recommend reviewing your analysis once again to ensure its accuracy and consider performing additional analyses to expand the scope of your results. The title of your work examines The Effectiveness of Local Potential-Based Learning Modules on Creative and Entrepreneurial Project Learning, if you have not presented anything in your results.</p> | |
| <p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? | <p>The overall language quality of the article is good. However, it is recommended to review and ensure adherence to language rules in certain sections.</p> | |
| <p>Optional/General comments</p> | | |
