

## Review Form 1.6

Journal Name:	<a href="#">Journal of Pharmaceutical Research International</a>
Manuscript Number:	Ms_JPRI_82314
Title of the Manuscript:	Preliminary Phytochemical, Antioxidative and Antibacterial Screening of Selected Medicinal Plants for Possible use in the Treatment of Bacterial Diseases.
Type of the Article	Original Research Article

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments		
<b>Minor</b> REVISION comments	13 plants were evaluated, 5 of them showed antibacterial effect. Is it better and more focus on these 5 plants on this manuscript and not mention others?  Could be better to write a separate report for all 13 plants on phytochemicals and antioxidants contents?	
<b>Optional/General</b> comments	This research provide valuable information on Indian native natural plants chemical contents and lay foundation for further exploration of medicinal use.	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>  no
