

**Editor's Comment:**

After comparing all reviewer comments in the manuscript, in my opinion, I have come to the decision that manuscript is in acceptable form after minor revision

Note:

- 1) label table and figure properly and check copyright form for table and figure from reference
- 2) reference not too recent
- 3) abbreviation not mention and many grammatical errors
- 4) recent techniques are not mention.

**Editor's Details:**

Dr. Rishee K. Kalaria  
Assistant Professor, Aspee Shakilam Biotechnology Institute, Navsari Agricultural University, India.
