<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes but should be more simple and lucid so that more forward farmers should become aware and more horizontal expansion of the technology may get in this north eastern hilly region.</p>	
<p>Optional/General comments</p>	<p>In Arunachal Pradesh, rice based mono cropping system is predominant in traditional shifting cultivation system. After the harvesting of rice, field are lying uncultivated. In this rice fallow condition, introduction of Toria by the KVK is a significant achievement for this region. So this type of articles are very much essential for the socio economic development and enhancement of the farmers income</p>
