

Review Form 1.7

Journal Name:	Asian Journal of Research in Infectious Diseases
Manuscript Number:	Ms_AJRID_113592
Title of the Manuscript:	Pulmonary involvement during varicella in a patient with sickle cell disease: what diagnosis should we make?
Type of the Article	

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>While a case report is a detailed description of a rare clinical case, it should add something valuable to the diagnosis or treatment of the case.</p> <p>Although the title is descriptive, there are better choices than this one. Pulmonary involvement in a sickle cell anemia patient with varicella</p> <p>The abstract was comprehensive.</p> <p>The subsections and structure of the manuscript are appropriate.</p> <p>The authors present a case report as it was, so it was correct scientifically.</p> <p>Among 22 references, only two of them are for after 2020. References should be updated by adding more recent ones.</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>There are some problems with the writing, and it necessarily needs native English editing.</p>	
<p>Optional/General comments</p>		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
