

Editor's Comment:

After analyzing the paper, I think it can be accepted for publication.

However, before publication, the authors must carefully check the paper and use a unitary way of expressing the units of measure. Currently, their presentation is used both in kg/ha and kg ha⁻¹. This is not allowed because it denotes the lack of accuracy of the paper.

Editor's Details:

Dr. Rusu Teodor
Professor, University of Agricultural Sciences and Veterinary Medicine, Cluj-Napoca, Romania.
