

Editor's Comment:

The article in its current form is sufficient, so, the decision is accepted.

Please, consider the following notices:

1- In abstract: correct the numbers of isolates in which endospores were detected, to 1, 4, and 6 according to table 3, instead of 1, 6, and 7.

2- In material and methods: correct the section number of bacterial identification to 2.3.2

Editor's Details:

Dr. Essam Hussein Abdel-Shakour
Professor, Al-Azhar University, Cairo, Egypt.
