

Review Form 1.7

Journal Name:	Asian Journal of Biotechnology and Bioresource Technology
Manuscript Number:	Ms_AJB2T_96500
Title of the Manuscript:	PHYSIOCHEMICAL PROPERTIES OF DIFFERENT OIL MEDIA DURING DEEP FAT FRYING OF AKRA CHIPS.
Type of the Article	

Review Form 1.7

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> Is the manuscript important for scientific community? (Please write few sentences on this manuscript) Is the title of the article suitable? (If not please suggest an alternative title) Is the abstract of the article comprehensive? Are subsections and structure of the manuscript appropriate? Do you think the manuscript is scientifically correct? Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes this manuscript is important for scientific community because the work has the merit of determining the physicochemical properties of of many different oil media during deep fait frying of chips. Moreover, the manuscript is the original one.,</p> <p>2- Yes the title “PHYSIOCHEMICAL PROPERTIES OF DIFFERENT OIL MEDIA DURING DEEP FAT FRYING OF AKRA CHIPS” is suitable.</p> <p>3- No the abstract is not comprehensive. Because it did not detail the methods for determining the physicochemical characteristics of oils. Moreover Place and duration of study are not mentonned</p> <p>4- Yes the subsections and structure are appropriate. However, acknowledgments, competing interest and author’s contribution are not mentonned.</p> <p>5- I think that Beyond these formal shortcomings, this manuscript is scientifically acceptable</p> <p>6- All references are not follow the the instruction for authors style</p> <p>For exemple: Instead of “ Ikhuoria EU, Maliki M. Characterization of avocado pear (Persea Americana) and African pear (Dacryodesedulis) extracts. Afr. J. Biotechnol. (2007) 6(7):950-952</p> <p>We have:” <i>Ikhuoria EU, Maliki M (2007). Characterization of avocado pear (Persea Americana) and African pear (Dacryodesedulis) extracts. Afr. J. Biotechnol. 6(7):950-952”</i></p> <p>- References are not numbered in the order that they appear in the text.</p> <p>-All Reference referred in the text are not present in the reference list</p> <p>For exemple : Good,2020</p> <ul style="list-style-type: none"> - All of the citations are not indicated by the reference number - There are few references in the manuscript <p>7-According to the instruction sfor authors, tables & figures should be placed inside the text. But in the manuscript, tables and fugures are placed in annexe</p> <ul style="list-style-type: none"> - There are numbers in parentheses in results and discussion that have no meaning - 	

Review Form 1.7

Minor REVISION comments		
1. Is language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	The manuscript " PHYSICOCHEMICAL PROPERTIES OF DIFFERENT OIL MEDIA DURING DEEP FAT FRYING OF AKRA CHIPS " suffers from major defects which the author must take into account before it is published	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
