<p>Compulsory REVISION comments</p> <ol style="list-style-type: none"> 1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript) 2. Is the title of the article suitable? (If not please suggest an alternative title) 3. Is the abstract of the article comprehensive? 4. Are subsections and structure of the manuscript appropriate? 5. Do you think the manuscript is scientifically correct? 6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<ol style="list-style-type: none"> 2. Title should be short and succinct – Here is a suggestion - Enhancing 7th-grade writing skills in Jambi City with Project-Based Learning and Animated Video assistance. 3. The abstract lacks some element of writing an abstract, it should follow the sequence (Introduction/motivation, purpose, method, results, and conclusion) paying attention to the introduction. 4. The article lacks a logical flow as it moved from Introduction to Research Method. I expect to see a related review section that discusses fantasy text and project-based learning. 5. There is a lack of rigor and quality of the content is low 6. References are ok 	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 		
<p>Optional/General comments</p>	<p>In its current state, I believe the article lacks the essential features expected in a quantitative study. I recommend employing a language editor to enhance the paper's structure and ensure clear presentation of information.</p>
