Type of the Article	Case study

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1) I think this case report will contribute to literature. The negative effects of commonly used glucocorticoids on osteoblastic functions and the importance of diseases that occur subsequently and require surgery have been emphasized once again. Chronic diseases, medication use due to chronic diseases and what happens afterwards are also very important in terms of hospital stay and cost.</p> <p>2) Yes 3) Yes 4) Yes 5) Yes 6) Yes</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>1. Yes</p>	
<p>Optional/General comments</p>	<p>Dear author(s), Thank you for your hard work. I wanted to share with you some situations that I think need to be corrected below; The explanation of the abbreviation 'ER' in sentence 'However, on the way home, she experienced severe lower back pain again and promptly visited the ER' was not written. I request an explanation.</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
