

Review Form 1.7

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_111786
Title of the Manuscript:	Effect of different Organic Sources of Nutrients on Growth and Flowering of Spray Chrysanthemum
Type of the Article	Original Research Article

Review Form 1.7

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></p>	<p>Yes</p> <p>Effect of different Organic Sources of Nutrients on Growth and Flowering of Spray Chrysanthemum</p> <p>Remove conclusion paragraph from Abstract. Add write up on plant height at 30 DAP, Leaf area, secondary branches and plant spread at 30 DAP</p> <p>It is enriched organic source experiment so add all organic source content before enriched and after enriched, also write soil type and its physical properties.</p> <p>Write references according to journal format et al., write in <i>italic</i></p> <p>Rewrite your conclusion, those treatment is/are perform higher write about that treatment (not give split mode of write up, it create confusion). As per your conclusion, enriched FYM @ 6.25 t/ha or vermic compost 1.25 t/ha but these treatment not found in treatment details.</p> <p>In each Table title remove different and of Nutrients word, where as mark (.) full stop remove it</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>I think organic manures are not applied in split based, if applied than write quantity applied and time in days its applied so it clear your materials and method</p> <p>Mention time of enrichment of all organic sources, weather materials are incubated or not</p> <p>Fig 01 if possible chart patten so its give clear idea about your data</p>	
<p>Optional/General comments</p>	<p>Effect of Organic Sources on Growth and Flowering of Spray Chrysanthemum</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
