

### **Editor's Comment:**

The paper is accepted after minor revision and correction.

1- Title: These 2 words "DYSLIPIDAEMIAAND" appear without spacing. Please, separate them.

2- Abstract:

Background: Please add aim of work at the end of section of Background.

Methodology: Please, correct the word Wistar in "healthy Wista albino rats".

Please indicate the exposure period per day; Whether it's hours or all day.

3- 1.0 INTRODUCTION:

Please, correct the word "hormones" in this "Oestrogen and Progesterone are female sex hormone".

Please, add this reference "Hegazy A. Clinical embryology for medical students and postgraduate doctors. Lap Lambert Academic Publishing; 2014." to this sentence "These hormones are produced by the ovarian follicles and the corpus luteum and during pregnancy by the placenta. ".

Please, remove the repeated references' numbers "or twelfth week of pregnancy [12.13] ([12, 13].".

Please, change the verb to "was" in this "The aim of this study is to evaluate the".

In this "using Enzymatic method described by [15] Li-Hua, 2019", transfer the [15] instead of the year to be "Li-Hua et al [15]". Also, in this "and [16] while the plasma", change it to be "Kawano et al [16]". Please, recheck the paper and correct the similar text.

4.0 DISCUSSION:

Please, add a dot "." At the end of this "systems of different tissues [20]".

Add the reference name here, before the number in this "This is in contrast with [26] who".

REFERENCES:

The references seem to be written randomly. Please write them all in the same format.
