

**Editor's Comment:**

The manuscript entitled " Integrated Nutrient Management Strategies: Unraveling the Impact of Bio-Fertilizers and Traditional Fertilizers on Soybean (Glycine max) Productivity " (2023/EJNFS/110536) submitted by Samad et al. from Bangladesh was reviewed by Rishan (Ethiopia) and Ghimire (Nepal).

Both of the reviewers evaluated the manuscript and requested some minor revision and the authors revised the manuscript according to the reviewers suggestions.

Hereby I inform you that the revised version of the manuscript will be accepted for the publication in the EJNFS.
