<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Yes, the use of English in the article is suitable for scholarly communications.</p>	
<p>Optional/General comments</p>	<p>In the Trend Analysis section, it would be beneficial to explain the cyclical nature of sugar production in India, detailing the reasons behind the alternating periods of low and high production. In the Competitiveness of Indian Sugar in the Global Sugar Market section, an analysis of the obtained results, similar to the approach in other sections, would enhance clarity. Additionally, it is necessary to review the format of Table 3.</p>
