If you have suggestion of additional references, please mention in the review form.</b></li> </ol> <p><b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b></p>	<p>The manuscript under review is of significance to the scientific community, as it endeavors to quantitatively and scientifically ascertain the perspectives of veterinary scientists and students on animal ethics, and the impact of veterinary education on these views. While the study's results do not paint a definitive picture beyond establishing the importance of veterinary education in altering students' perceptions of animals, this finding underscores the necessity for further research in this area. The title, abstract, and overall structure of the article are well-conceived and effectively executed, enhancing its comprehensibility and appropriateness for the intended audience.</p>	
<p><b>Minor</b> REVISION comments</p> <ol style="list-style-type: none"> <li><b>Is language/English quality of the article suitable for scholarly communications?</b></li> </ol>	<p>There are a few minor typos, such as the sentence in the abstract, "ethical concerns with animals Veterinary education seems to have," where a dot appears to be missing or incorrectly placed.</p>	
<p><b>Optional/General</b> comments</p>
