

Editor's Comment:

My final decision is positive. I think that the last version of the paper can be published.

Some corrections are needed. These are marked in the [Attachment](#).

Also,

- The organisation of the manuscript to be checked.
- Check gramer.
 - ✓ In the text, do not use the first person "our"
 - ✓ to have the text English proofread (mainly the article).

References should be checked.

- ✓ The sources used in the text are indicated as follows: "Restuccia et. al. (2008),..." etc.
Must be: Restuccia et. al. [1],...
- ✓ All works cited in the text must be listed in the References.
- ✓ to elaborate the bibliographic citation and references format according to the needs of ARJASS.
