Is the title of the article suitable?</b> (If not please suggest an alternative title)</p> <p><b>3. Is the abstract of the article comprehensive?</b></p> <p><b>4. Are subsections and structure of the manuscript appropriate?</b></p> <p><b>5. Do you think the manuscript is scientifically correct?</b></p> <p><b>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b></p> <p><b><u>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</u></b></p>	<p>Yes, the article is important for scientific community as it addressed the contribution of home gardening in eliminating hidden hunger, providing means of nutrition and guaranteeing food security for household that tends it.</p> <p>The title addresses the content of the write-up therefore it is suitable as it is</p> <p>Yes the article's abstract is comprehensive enough, however, it should not be sectionalised as presented. It should be in prose form the subheadings for each sections be removed</p> <p>The paper is reviews literature, hence it is not an empirical study therefore one of he section s tittle the impact of Nutri Garden on nutritional/health disorders should simply be put as perceived effect of Nutri Garden on nutritional/health disorders</p> <p>Yes, the article is precisely report the importance of home gardening to households</p> <p>Based on the length of the article, the article is sufficiently okay for the body of the work.</p>	
<p><b>Minor</b> REVISION comments</p> <p><b>1. Is language/English quality of the article suitable for scholarly communications?</b></p>	<p>Yes, the quality of the English language is alright and fluent. It communicate the intentions of the author(s)</p>	
<p><b>Optional/General</b> comments</p>	<p>1. There is no consistency on the use of the word 'Nutri Garden', it appears as a compound word in some instances 'Nutri-Garden' in others it is a 2 word while in it was also written as Nutri garden, nutri Garden or nutri garden in some other places. I have highlighted a few of them in yellow, but it is not limited to those ones.</p> <p>2. It is also very important to state the reason why people prefer the cycle and rectangular types of home gardening putting into considerations the advantages over other types not mentioned.</p>
