

Editor's Comment:

Final Decision: The manuscript should be accepted for publication in Asian Soil Research Journal.

01) The author incorporates all the suggestions the reviewer made in the manuscript.

02) The manuscript title is more relevant to the experimental treatments and results. The manuscript is concise, informative, statistically proven, and practically applicable.

03) The study results will be useful to both the farming & scientific community for reducing soil loss and increasing crop yield.
