

Review Form 1.7

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_119989
Title of the Manuscript:	Influence of Farmyard Manure and bio-fertilizers on growth and yield of green gram.
Type of the Article	Original Research Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>Fair</p> <p>Fair</p> <p>Fair</p> <p>Fair</p> <p>Fair</p> <p>Poor</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>Average</p>	
<p>Optional/General comments</p>	<p>The article requires substantial revisions to enhance its quality. Firstly, the aim of the article is not clearly stated, making it difficult to understand the primary focus and objectives. Additionally, the materials and methods section lacks clarity, which hampers the reproducibility of the study. The results are not adequately discussed, leaving key findings and their implications underexplored. The conclusion is weak and fails to effectively summarize the study's significance and outcomes. Furthermore, the article should include more recent references to ensure that the research is grounded in the latest developments in the field.</p>
