<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>yes</p>	
<p>Optional/General comments</p>	<p>Whereas the initiation of the paper was to the point, there was a hurried end to the introduction. There was brief reference to the need of the study.</p> <p>There was no literature review.</p> <p>It was not possible to delineate separation of one sub-chapter from another.</p> <p>It would be better if t test values were accompanied by mean errors, as that would have shown robustness of the variables.</p> <p>Except for a few references in the introduction, it was not possible to link biographical list to the study.</p> <p>No citations or footnotes were available to link the reference cited to quoted academic material.</p>
