

**Editor's Comment:**

The author has revised the paper as per reviewer's comments. In fact highlighted those changes in revised paper making it easy for editor and reviewers to check the updated version.

One thing that still needs author attention is, remove the major grid lines of each graph. Title of each graph should be below not above.

Accepted after the revision.

**Editor's Details:**

Dr. Nazimah Maqbool  
Retired Professor, University of Agriculture, Pakistan.
