If you have suggestion of additional references, please mention in the review form. <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1.This paper addresses the issues like poverty and discusses on evaluation of the societal well-being is the economic metric as a primary indicator. The paper throw light on pervasive issues of poverty and how Indonesian government focusing on eradicating poverty through policy formulation and implementation to eradicate poverty in the nation.</p> <p>2. yes</p> <p>3 yes but methodology to be followed during research is missing.</p> <p>4.no</p> <p>5 slightly correction is required in the methodology</p> <p>6 Although good number of papers are referred in the research but maximum references are very old publication. All are published before 2017. The author unable to mentioned the link for regulations mentioned in the references. The source of policy document should clearly mention.</p>	
<p>Minor REVISION comments</p> <ol style="list-style-type: none"> 1. Is language/English quality of the article suitable for scholarly communications? 	<p>Some grammatical errors are required. languages are used are up to mark.</p> <p>Languages are perfect need to change some sentence structure</p>	
<p>Optional/General comments</p>	<p>As the research is based on qualitative research the author should clearly mentioned the methodology. Although case study was mentioned but the literature review part was missing to build research questions. So, author is requested to frame problem statement.</p> <p>As the research based on policy so author must mention which poverty theory was address in this policy</p>
