

Review Form 1.7

Journal Name:	Asian Plant Research Journal
Manuscript Number:	Ms_APRJ_120014
Title of the Manuscript:	Antidiabetic and Anticancer Potential of Bitter Gourd (Momordica charantia): A Short Review
Type of the Article	Minireview Article

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Compulsory REVISION comments</p> <p>1. Is the manuscript important for scientific community? (Please write few sentences on this manuscript)</p> <p>2. Is the title of the article suitable? (If not please suggest an alternative title)</p> <p>3. Is the abstract of the article comprehensive?</p> <p>4. Are subsections and structure of the manuscript appropriate?</p> <p>5. Do you think the manuscript is scientifically correct?</p> <p>6. Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</p> <p>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</p>	<p>1. This manuscript is important for the scientific community, especially in traditional medicine, phytopharmaceuticals, and pharmacology.</p> <p>2. The title is not appropriate, it should be replaced with "Anti-diabetic, anti-cancer potential and anti-HIV of Bitter Gourd (Momordica charantia) Extract"</p> <p>3. The abstract of this article comprehensive</p> <p>4. Subsections and structure of the manuscript are appropriate but need to be adjusted to the core problem they explain.</p> <p>5. This manuscript is scientifically correct, it just needs to be presented well and by the rules of scientific work and the rules of environmental journals. In the discussion and findings section, it is best to discuss the more quantitative findings that are being discussed. Conclusions need to be given more focus and more concisely</p> <p>6. References need to be supplemented with the latest research results from indexed journals</p>	
<p>Minor REVISION comments</p> <p>1. Is language/English quality of the article suitable for scholarly communications?</p>	<p>1. The quality of the language/English of the article is quite suitable for science.</p>	
<p>Optional/General comments</p>	<p>This manuscript can be published with improvements to the Title-Abstract-Contents and conclusions. If the title remains Anti-diabetic, anti-cancer potential and anti-HIV of Bitter Gourd (Momordica charantia) Extract"</p>	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p>Are there ethical issues in this manuscript?</p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
