## Review Form 1.7

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Compulsory</b> REVISION comments</p> <p>1. <b>Is the manuscript important for scientific community?</b> (Please write few sentences on this manuscript)</p> <p>2. <b>Is the title of the article suitable?</b> (If not please suggest an alternative title)</p> <p>3. <b>Is the abstract of the article comprehensive?</b></p> <p>4. <b>Are subsections and structure of the manuscript appropriate?</b></p> <p>5. <b>Do you think the manuscript is scientifically correct?</b></p> <p>6. <b>Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.</b></p> <p><b>(Apart from above mentioned 6 points, reviewers are free to provide additional suggestions/comments)</b></p>	<p>Ans 1- The article <b>COULD</b> benefit lactating mothers, post-partum ladies and many more to manage their and their infants nutrition and health. <b>Oligosaccharide profiles are taken and nutritional requirements of mothers are of paramount importance.</b></p> <p>Ans 2- Title could be moved a little bit about the effects of oligosaccharide</p> <p>Ans 3- Elaborate more on oligosaccharide. Mention definition clearly            Ans4- Addition of a few visuals or graphics would be better            Ans 5- YES            Ans 6- Referencing is fine but add proper referencing in between the lines. Mention the referencing software used.</p>	
<p><b>Minor</b> REVISION comments</p> <p>1. <b>Is language/English quality of the article suitable for scholarly communications?</b></p>	<p>Women who had given birth to a full-term single pregnancy (This line is grammatically incorrect)</p> <p>Language needs correction at certain points. Grammar and tenses check needed</p>	
<p><b>Optional/General</b> comments</p>	<p>Ans 1- These oligosaccharides, influenced by maternal nutrition, protect the newborn against infections and inflammation, contributing to immune and brain maturation, organ development, and microbiome development.</p> <p>Ans 2- Presence and Effects of Oligosaccharide Profiling in 60 Breastfeeding Mothers of Infants Aged 45 Days in Abidjan, Côte d'Ivoire</p> <p>Check the language once again Add proper referencing</p>	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<p><b>Are there ethical issues in this manuscript?</b></p>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p>
