

Review Form 3

Journal Name:	Journal of Advances in Biology & Biotechnology
Manuscript Number:	Ms_JABB_120413
Title of the Manuscript:	From Soil to Oil: The Crucial Roles of Potassium and Sulphur in Enhancing Oilseed Crop Quality
Type of the Article	Review Article

Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback <i>(Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	This paper has the importance to acknowledge the contribution from other authors in the study of agriculture. They are also the effort fo the author to contribute to the same field by studying the effects of magnesium and sulphur in improving the quality of oilseed plants.	
Is the title of the article suitable? (If not please suggest an alternative title)	I think that the title should be suitable.	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	The abstract is comprehensive but a bit lengthy. The author may need to delete some of the explanation.	
Are subsections and structure of the manuscript appropriate?	The subsections and structure of the manuscript is appropriate.	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	The paper is scientifically robust and technically sound, although the contents are introductory. The author has the initiative to contribute by studying the influence of sulphur and magnesium to oilseed plants. Maybe the author tries to study on the type or types of plants.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. =	References are sufficient and recent, which is the latest being referenced was in 2023.	
Minor REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	The language in the article is suitable.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
