PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Is the manuscript important for scientific community? (Please write few sentences regarding this manuscript to justify your answer)	Yes. In this manuscript, the author(s) discussed the operations on multi-set topological spaces and their closure properties. It looks interesting.	
Is the title of the article suitable? (If not please suggest an alternative title)	Yes.	
Is the abstract of the article comprehensive?	Yes.	
Are subsections and structure of the manuscript appropriate?	Yes. Just a tiny issue: Regarding keywords, please refine them. Some overlapped; For example, "Multiset" vs. "Multiset topological space".	
Do you think the manuscript is scientifically correct? (Please write few sentences regarding this manuscript to justify your answer)	Yes.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form.	I have the following comments: 1)Please organize the references according to the citation order in the main text. 2)Regarding references, they are a little out of date. The newest reference is 2022, and there is only one. Other references are from at least nine years ago. 3)Ref. [8] missed the published date.	
Minor REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	It is basically good.
