Review Form 3

PART 1: Review Comments

Compulsory REVISION comments	Reviewer's comment	Author's Feedback (Please correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Please write few sentences regarding the importance this manuscript for scientific community. Why do you like (or dislike) this manuscript? Minimum 3-4 sentences may be required for this part.	The topic covered in this paper covers a significant issue of indigenous community's rights. Their voices must be heard before making decisions affecting community life and their rights.	
Is the title of the article suitable? (If not please suggest an alternative title)	The author may consider changing the title to " <i>Impacts of the Development of a New City on the life of Indigenous Communities: A Case from Nusantara (IKN), Indonesia</i> "	
Is the abstract of the article comprehensive? Do you suggest addition (or deletion) of some points in this section? Please write your suggestions here.	It sounds good	
Are subsections and structure of the manuscript appropriate?	Yes, a new subheading 'Suggestions and Recommendations' providing some suggestions for protecting community rights may be added after the subheading 'Conclusion'.	
Please write few sentences regarding the scientific correctness of this manuscript. Why do think that this manuscript is scientifically robust and technically sound? Minimum 3-4 sentences may be required for this part.	The structure of the paper is good and supported by the relevant review of the literature. However, more literature reviews related to the impacts of developing a new township/city on other parts of the globe may help understand better the issues of community rights and their existence.	
Are the references sufficient and recent? If you have suggestion of additional references, please mention in the review form. =	References are Ok but they should be recorded in APA or a format required by the journal.	
Minor REVISION comments		
Is language/English quality of the article suitable for scholarly communications?	Yes	
Optional/General comments	Literature reviews related to the impacts of developing a new township/city on other parts of the globe may help understand better the issues of community rights and their existence should be added. Some specific recommendation for protecting community rights/existence would make the paper better.	

PART 2:
